Eric,

Is there a problem with Rob staying where he is at or do you want everybody at the same hotel?

Just a reminder – my place is within 50 miles of the site, no need for me to get a hotel room.

Danny just left me a message and said the additional rooms are all set. Got us free parking as well. He said if you feel more comfortable talking to him on the phone, please provide your information that way. Then you will cancel your other reservation at the Amherst. This way you are closer and we can utilize this service moving forward. Peter, Danny remembers you and he also met me in Puerto Rico years ago. Apparently, I hung out with him at Brother Jimmy's pub? I am going to provide him the names of three of us but each individual person will need to contact him with their info. Please let me know.
